SEN Casework Officer School Allocations (pre-school to Year 10)

The list below includes all Leeds maintained schools, academies, and the independent schools currently commissioned by Leeds City Council.

Children and young people attending a maintained school or academy outside of Leeds, or those who have not yet started school, will usually be allocated to the officer of the nearest Leeds school to their home address. Children and young people not on the roll of a school, for example those Electively Home Educated, will usually be allocated to the officer of the school most recently attended.

For Vacant Posts – we are working hard to recruit and onboard additional staff to fill these gaps by January 2025. Please email SENSAP@leeds.gov.uk to be directed to the appropriate member of staff to support with your enquiry until this time.

SEN Casework Officer Setting Allocations (Year 11 onwards)

Post-16 officers will, wherever possible, follow a young person from their Year 11 setting through into their post-16 educational setting until the EHC plan is ended. Allocations are therefore usually based on the school at which they attended in Year 11 (except learners at Elliot Hudson College, Lighthouse Futures Trust, and Specialist Post-16 Independent settings). There may be circumstances where this is not possible or appropriate, and individual arrangements will be made in those circumstances.
